M 9970-3 1843
Enclosed the term of the Committee

We had to complete our work by the end of this month But in spite of our best efforts we could not do so The Bill drafted has been provisionally approved by the Committee after some slight verbal alterations in the meetings held on the 18th and 19th instants The Secretary was only able to write Parts I and II of the Report completely and a portion of Part III by the 18th instant and he submitted the same before the Committee on the 18th instant The Committee approved of the general lines of the Report but suggested that certain portions be abridged and some controversial matters be omitted The Secretary undertook to complete the whole Report with the alterations suggested by the 29th instant but all the members of the Committee pleaded their inability to attend the meeting between the 29th and 31st instant The Secretary could not complete the work of drafting the Report before the 29th instant as he is not working as the full time Secretary of the Committee not being relieved from his office duties Since the 23rd instant he has been kindly permitted to attend office at 3 p m to enable him to finish the work of the Committee As the Committee members pleaded inability to attend the meeting before the 31st instant we passed a resolution requesting Government to give a final chance by extending the period till the end of April

In anticipation of the kind sanction of Government to extend our term till the end of April we have provisionally posted our final meeting on the 6th and 7th of April when the Act and the Report will finally be approved and signed by the members of the Committee

Copies of the Bill and the Headings of the Chapters of the Report have been attached for kind (renewal) perusal

The Committee desires that atleast about 1000 copies of our Report and the Bill may be caused to be printed for free circulation to some and the rest to be kept for sale the sale proceeds of the Report and the Bill may be utilized for purposes of Relief Fund

I therefore earnestly request that the Government be pleased to extend the period of the term finally to the end of April and for permission to get atleast 1000 copies of the Bill and the Report printed

The Resolution passed by the Committee is also enclosed for kind perusal

I would like to consider whether we can reduce the number of copies in view of the difficulties of getting paper & the increasing cost of paper. At the same time we can see that the work may be kept as cheap as possible to save expenditure

CHAIRMAN - The following are the resolutions I would like to be adopted -

(1) That the lines on which the report as drafted by the Secretary may be adopted with the following changes -

(i) that in part 1 Chapter I, the work of the committee be made more prominent by putting forth in an outstanding manner conclusions arrived at by the Committee,

(ii) controversial statements in the draft be couched in such a manner as to explain the matter beyond all controversy

(iii) that part II be more concise, Mysore and Indian conditions to be dealt with in a more elaborate fashion,

(iv) that the lines, suggested by the Secretary regarding the further chapters to be written up to complete the report are approved, a separate chapter for Civil and Military Station be included

(2) It is further resolved that a sub-committee of Chairman, Secretary and Mr Iqbal Hussain be authorised to effect such other changes as it deems necessary in consonance with the findings of the Committee and the discussions in the Committee

The Committee approved the above resolutions unanimously

Chairman - I want another resolution to be passed to the effect that the Committee shall meet some day during this month, the draft report and the bill being

being ready to finally sign the bill Is it inconvenient to meet anywhere at the end of this month ?

Mr B S Raghavendra Rao - The report is still incomplete The final report is decided in today's proceedings, and it will take at least 10 days more for the Secretary to complete the draft report

CHAIRMAN - Why should we not hold the meeting at the end of this month ?

Mr B S Raghavendra Rao - We have made so many alterations today

CHAIRMAN - So far as the Secretary is concerned We will keep it ready at the end of the month If the members plead inconvenience to meet at the end of this month for the passing of the final report the Government may be moved for extension

The members agreed

The following resolution was passed:

* As it will not be convenient for the members to meet during this month once again, it is further resolved to request the Government to permit one more sitting of the Committee in April for finally passing the report and signing the report and the Bill

CHAIRMAN - Shall we meet on the 6th and 7th of April ?

Mr Puttiah - I would like to have a draft of the report, in print, if possible

Mr B S Raghavendra Rao - The Representative Assembly meeting will be held in June If you delay in sending the report and the Bill, it may not be placed before that meeting at all

CHAIRMAN - So far as the Act is concerned, we can send it away to Government early And then the report will follow Supposing we amend the Act and send one copy to each of you, you may sign it and send back

Mr B S Raghavendra Rao - With this resolution, you may please send the Government a draft Bill which has been approved and it will be signed at that meeting, and we are not sending the signed Bill, because the report and the Bill should agree

CHAIRMAN - One other thing is, so far as the Bill is concerned, this we amend early and send copies to all the members with the necessary changes, and if you sign and send it to Government, we shall have this signed Bill as the authority to make further changes, if any, Therefore, members will have no objection if the Bill is sent in advance

Mr B S Raghavendra Rao - I have no objection But I want it to be mentioned that a draft Bill is sent and a final signed Bill will be sent later on

CHAIRMAN - We can send away a draft Bill early for their purpose

Mr Puttiah - A para has to be added in the report mentioning Secretary's work

CHAIRMAN -

CHAIRMAN - Yes I will write it
